BULLETIN NUMBER FOUR

JUNE 28<sup>th</sup>, 2018

## **THE LATEST ADDITIONS**

The latest additions to the car entry list for the 2018 CBA Africa Concours d' Elegance include Benson Ndungu with a 1967 MG Midget Sports car and the two Porsche 911Sports Coupes of Aslam Khan and Rob Linck which will feature in the class for competition cars.

Tor Frost will ascend the Total Quartz inspection ramp in the 1928 Fiat which has been in the family since the early 1930's. This vintage machine was the overall winner of the Concours in 1990 and will be among the star attractions at the Nairobi racecourse on September 30<sup>th</sup>.

Turning to motorcycles the list of competitors has been boosted by Peter Giraudo who is completely rebuilding a 1959 BSA Shooting Star which has been placed in the class for motorcycles made in 1960, or earlier. This category will be the equivalent of the car class for machines made in, or before 1940. Peter will also be riding his 1966 Triumph 6C around the judging ring when the competition bikes are assessed.

The entry list is filling up and we advise competitors who have not yet registered for the Concours to submit entries as soon as possible.

In your interest and to help the volunteers running the event office please deal with this simple task now rather than later when you will be busy preparing your machines.

## **THE EXTRAS**

Remember all the extra prizes in addition to the overall and class awards.

### **THE MOST MERITORIOUS ENTRIES**

There are three meritorious awards for cars and two for motorcycles each consisting of a shield and cash.

### **NEW COMER AWARDS**

The highest placed new car and motorcycle competitor will receive Peter Hughes memorial trophies and cash.

### **THE BEST TEAMS**

The best car and motorcycle teams will receive lavish prizes. Teams may represent clubs, manufacturers, or informal groups. Each team will consist of a minimum of three and a maximum of five competitors with the best three results to count.

## **COSTUMES**

The Wine Gallery has kindly sponsored the costume prizes by providing awards for the best three costumes worn by car and motorcycle competitors.

When thinking about creating a costume consider a horse racing theme because the event is hosted by the Jockey Club. Alternatively a banking theme would be appropriate to link with CBA the title sponsor. Otherwise use a costume which illustrates your car, or bike.

## **VICTOR LUDORUM**

The Victor Ludorum awards for car and motorcycle competitors are chosen from the best combined score for the Concours d'Elegance and the costume category.

The winner will be decided by adding points for costumes to the points carried by the car entered by the competitor in the Concours using the following scale:

<b>Costumes competition placing</b>	<b>Victors Ludorum points</b>
First	120
Second	100
Third	80
Worthwhile participation	40

## **ELEGANCE AWARD**

The most elegant looking car and motorcycle will each earn the entrant a grand award.

The assessment is based entirely on the appearance and visual impact of the machine and the standard of preparation is not taken into account.

## **THE BEST ENGINE**

Prizes will be presented to the car and motorcycle competitors with the highest marks for their engines.

# **HERITAGE**

Old cars and motorcycles are part of our country's heritage and enthusiasts should try to preserve them.

Instead of leaving unwanted machines to rust and be disintegrated please try to save them by entering them in the Classic Car and Motorcycle Sale at the CBA Africa Concours d'Elegance.

The entries must be 25 years old, or more and can be in any condition. At past events the machines on offer have varied from sources of spares to good condition. Potential buyers will be looking for a weekend car, or bike, or a restoration project.

The entry fee is 2,000 shillings and the regulations are available from the event website [www.concourskenya.com](http://www.concourskenya.com) , or the Concours office at the Bob Dewar Publicity suite in Block G, Norfolk Towers, Kijabe Street.

# **AUTO JUMBLE**

An Auto Jumble for the sale of surplus spares for classic cars and bikes will be an additional feature of this year's Classic Sale.

If you have spares that you no longer need turn them into useful funds by selling them at the Nairobi Racecourse on September 30<sup>th</sup>.

The entry fee is 2,000 shillings which is the same as the Classic Sale. This will give you space for your vehicle. You can sell from the boot of your vehicle, or you can display your spares in your parking space behind your car, or pick up.

# **A VERY WARM WELCOME TO THE UGANDA VINTAGE AND CLASSIC AUTO SHOW (A CONCOURS EVENT) IN KAMPALA ON SATURDAY JULY 28<sup>TH</sup>**

A very warm welcome awaits competitors from Kenya who contest the 2018 CBA Uganda Vintage and Classic Auto show on July 28<sup>th</sup>. The event will be held in the grounds of the Sheraton Hotel and will be the seventh in the series.

Last year 22 Uganda enthusiasts contested the Concours d'Elegance at the Nairobi racecourse and it is hoped an impressive number of cars from Kenya will be in Kampala for the Uganda event.

The regulations for the Uganda Vintage and Classic Auto show are attached with the email version of this bulletin. Printed copies are available from the Bob Dewar Publicity office in Block G of Norfolk Towers in Kijabe Street.

Competitors are free to drive their cars to Kampala and there will be limited space on a car carrier.
