BULLETIN NUMBER THREE

MARCH 21ST, 2018

ASANTE

In one word "Asante" and in two words "Asante Sana" to the 36 car and 10 motorcycle competitors who submitted their entries for the CBA Africa Concours

d'Elegance at the Premiere of the TV programme and launch party for the regulations. They have helped the Alfa Romeo Owners Club committee and the volunteers who run the Concours office to reduce the last minute rush for places in classiest event on the Kenya motor sport calendar.

If you are not among those competitors who have already entered please deal with this easy task soon to save time later in the year.

Regulations and the entry forms are available on the Concours website (www.concourskenya.com) and printed copies can be collected from the Concours office in Block G of Norfolk Towers, Kijabe Street. If you would like us to send a copy by post, please let us know.

For your convenience we are attaching a list of the classes and an entry form.

FIRST APPEARANCES

Among the cars which will be appearing for the first time at the Nairobi Racecourse are a 1937 Nash and a 1953 Jaguar Mark VII which are being rebuilt by Magdi Riad and Sachit Shah's 1959 Mercedes 300 D.

Last year Alice Githere who is based in Mombasa competed for the first time with her 1962 Opel Rekord and she will be coming from Mombasa to be at the Racecourse on September 30th.

Among the ladies contesting the event are Jinja based Leslie Carvell with her crimson 1970 VW Beetle and Christine Omuombo who will be driving a 1968 VW Beetle on the Total Quartz inspection ramp.

Led by Gianfranco Masetto, the Vice Chairman of the Uganda Bikers Association (UBA) an impressive group of motorcycle enthusiasts will ride from Kampala to Nairobi on their big bikes for the event. Gianfranco will be pinning his hopes on his 2000 Honda Varadero which won the class for Trail and Enduro motorcycles made in 2009, or earlier at last year's event. Both Arthur Musasizi and James Nsubuga of the UBA will be presenting 2010 BMW Adventure bikes for assessment in the presenting 2010 BMW Adventure bikes for assessment in the motorcycle judging ring.

BUY, OR SELL

The 22nd Classic Car and Motorcycle Sale will be held by the Alfa Romeo Owners Club in conjunction with the CBA Africa Concours d'Elegance on September 30th.

It provides a good opportunity for the owners of unwanted classics (made in 1993, or earlier) to offer them for sale to the enthusiasts who will gather at the Nairobi Racecourse for the classiest event on the motor sport calendar.

Hellen Andrew, the Classic Sale Secretary, commented, "Instead of leaving cars to rust in backyards enter them for the Classic Sale at the Nairobi Racecourse and sell them to potential buyers, who will attend the CBA Concours d'Elegance".

OUR HERITAGE

Old machinery, farm equipment and vehicles are part of our country's heritage. We welcome owners of such items to exhibit them at the fourth Heritage Collection which will be held at the Nairobi Racecourse during the Concours.

There is no entry fee and anyone interested in participating is welcome to phone the Concours office on landlines 2229793, or 3316160, or mobile 0733 732 032.

SPEEDING BY

Time is speeding by and we are looking forward to receiving a steady flow of car and motorcycle entries. We would also like to hear about the preparation of your machines which will help us to achieve press, radio and TV coverage for the Concours.
